

X-type Electric Operating Table

- 1.The table is made of high-quality stainless steel
- 2.The surface is free of sharp edges and burrs; welded parts are polished smooth and evenly finished.
- 3.The height is electrically adjustable with a controller
- 4.The lifting motor uses a branded motor, ensuring long service life and smooth, stable operation without jerks
- 5.The tabletop features a removable waste liquid filter screen, which filters liquids and effectively prevents hair or solid waste from clogging the drain.

VET-VT01

Dimensions: 1200 × 600 mm
Height Adjustment: 300 mm – 1020 mm

VET-VT02

Dimensions: 1400 × 670 mm
Height Adjustment: 500 mm – 1065mm

V-type Electric Operating Table

The V-shaped tabletop can be manually adjusted, suitable for various surgeries such as pet sterilization and wound suturing. The V-shaped design helps reduce fluid contamination and makes cleaning easier.

Dimensions: 1400*650 mm
Height adjustment: 755–1055 mm;
Forward tilt: 0–18°;
Backward tilt: 0–5°
