

Pressure Steam Sterilizer

Features:

1. Electric heating type
2. High-quality stainless steel material
3. Simple operation, safe and reliable
4. Electric heating method
5. Overpressure self-relief
6. Dual-scale Class II counting pressure gauge

Parameters:

Model	VET-VS18	VET-VS24
Technical Parameters		
Volume	18L	23L
Power	2.0KW	2.0KW
Voltage	AC 110V 60HZ or AC 220V 50HZ	
Rated working pressure	0.142MPa	
Rated working temperature	126°C	
Chamber size (mm)	φ280x295	φ280x390
Packing dimensions (L×W×H) (mm)	410x410x560	410x410x680
Gross weight/Net weight	17/16kg	19/17.5kg

VET-VS18 / VET-VS24

Ultrasonic Scaler

Features:

1. LED Detachable handpiece, autoclavable
2. 3 working modes:
 - G-supragingival scaling, • P- periodontal scaling,
 - E-endo irrigation
3. 600ml water tank
4. Automatic water supply
5. Equipped with 5 tips: G1 G1 G2 G4 P1

VET-DS01
